### **About Röhm**

With 3,500 employees and 15 production sites worldwide, Röhm is one of the world's leading manufacturers in the methacrylate business. The medium-sized company with branches in Germany, China, the USA, Russia, and South Africa has more than 80 years of experience in methacrylate chemistry and a strong technology platform. Our best-known brands include PLEXIGLAS®, ACRYLITE®, DEGALAN® and DEGAROUTE®. More information is available at [www.roehm.com](http://www.roehm.com).

Röhm GmbH and its affiliates are a worldwide manufacturer of PMMA products, which are sold under the registered ACRYLITE® and ACRYMID® trademarks in the Americas and under the registered PLEXIGLAS® and PLEXIMID® trademarks on the European, Asian, African and Australian continents.
